Spring Term Citizenship

This term we will be working alongside NSPCC to deliver a number of sessions in school with our children. Information for parents will be shared frequently throughout the term but to begin with we would encourage you to check out the link below:

<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/>

Later in the term we will also be welcoming NSPCC volunteers into school to run workshops with our Year 2 class. It is the NSPCC's mission to ensure all children receive regular guidance and support on how to keep themselves and other safe. They offer this to all children in Year 2 and 6 and so we are really looking forward to using their knowledge to help support our young people.

We will be covering three main topics during the term. Please see below:
