Parents and Carers

As part of your child's education at Pre-School or school, we complete observations to show the progress that your child has made and their next steps. To do this we use an online package which enables us to share with you, on a regular basis what your child has learnt and explored at pre-school or school. Each parent will have their own log in and password, which they can only use to access their own child's account.

Tapestry is used to record observations, comments and photos and to show progress across the Early Years Foundation Stage, this will compliment other forms of observing and assessing already in place. You will be able to access you child's Learning Journey from a computer via <https://tapestryjournal.com> or by using the 'Tapestry' App on mobile devices.

All of our Pre-School staff and reception staff will have access to your child's learning journal. Staff will be able to upload pictures and observations for you to have a look it and comment on.

When you look at your child's learning journal you will notice that there may be some group observations and photos. We add these as we feel that they fully show how the children play and interact with each other. We therefore ask that these photos are for your own viewing and not shared publically or uploaded onto any social media websites. Unfortunately if we discover that photos have been added to any public social site, then we will be forced to suspend your child's learning journal. If you have concerns about your child appearing in other children's learning journals then please come and see us.

We hope that this system will prove to be a positive step in sharing information, as well as viewing our contributions, you will also be able to add comments, photos and video to support home/school learning. This will help us to develop a rounded picture of your child. These photos will only be in your child's journal.

When you have returned the user agreement below you will be issued with a user guide and log in details. (Our Pre-School and school photo permission letters covers photos for tapestry)
If you have any questions or queries, then please come and see us.

Many thanks

The East Brent C of E Academy and Pre-School team
