- Class DOJO – Parents should have a login for. Teachers regularly post information and things happening in their class. If you have not logged in yet and need some help, please speak to your child's class teacher.

Data Collection: Please check your child's details on BROMCOM. Please pay particular attention to addresses, phone numbers, contacts and any change in dietary or medical details. If anything is incorrect or needs adding then please let the office know by Monday 15th September.

EV6 forms: Children in Bumblebee and Dragonfly class are bringing home an EV6 form to complete. This is a form that you give permission for regular external activities off site. This means that we will not have to ask permission to take your child swimming etc. but will only send out permission slips/electronic forms for trips that are outside of these parameters. Please can you return them as soon as possible. Ladybird class children have already completed theirs as part of starting school information.

Ladybird class: Reminder that all children start full time from Monday 15th. Thank you to the parents for all signing up for lunches.

Flu immunisation: An email has been sent home to all school aged families about completing the online consent or decline form directly to the Somerset School Nursing team.
