Reminders

Pre-School gate: Please can all parents using the pre-school gate ensure they close it fully when entering/exiting. The gate is often left open which is posing a safeguarding concern to all school and preschool children. Thank you in advance for your support with this important matter.

Data Collection: You can now amend and submit any changes under the My Child at School app. under the data collection tab. Please check your child’s details and pay particular attention to addresses, phone numbers, contacts and any change in dietary or medical details.

EV6 forms: Children in Bumblebee and Dragonfly class brought home an EV6 form to complete at the end of last week. We still have quite a few that have not yet been returned. This form grants permission for external visits and curriculum activities outside the confines of your child’s class. Please return these by Monday 22nd September at the latest. If you can’t find the one that was sent home, please contact the school office.

Attendance: On Tuesday this week, we had our first day of 100% attendance. This demonstrates an excellent start to the year, well done everyone. May we take this opportunity to remind everyone that on the rare occasion your child may be unable to attend school, please contact the school before 8.45am on each day’s absence. If you have booked a term time holiday and aware in advance of a planned absence from school, please complete a term time absence request form which is available from the school office. In order to safeguard and support all children within our school community we must accurately record their attendance/non-attendance on a twice daily basis.

Term time absence will be unauthorised unless as a result of a rare, exceptional circumstance.

Useful Information
