### Key Images

1500
1800
2000

Queen Elizabeth I

Queen Victoria

Queen Elizabeth II

### What will I know by the end of the unit?

- The names of the three queens and how many years ago they reigned
- How they became queen
- Some key important facts about the life of each queen
- Characteristic features from the period each queen reigned
- Iconic events/changes that happened in each period
- The influence of each of the three queens
- How we know about each of these queens when they lived and reigned during different periods of history
- Why it is important to remember these queens and I will be able to name some ways that we do that
