Thank you all – Wishing all of our families a wonderful, well rested summer holiday.

Thank you for your support and care shown to the school community and for continuing to champion the wonderful things that make East Brent so special.

As we come to the end of another academic year I'd like to especially thank our staff, trustees, volunteers and members of FOEBs who are busy working for and on behalf of the school throughout the year. I am so grateful for the continued commitment, hard-work and care shown by all. Wishing our super Year 4 children and their families a fond farewell as they begin exciting new adventures in Year 5. We wish you all the very best for adventures new and know you will go on to achieve great things.

We look forward to welcoming everyone back to school on Monday 7th September. Stay safe and have a wonderful summer holiday. Mrs Whiting

Reports: Your child brought home their school report last week. We hope you enjoyed reading them and seeing the wonderful progress they have all made.

Lunches for September: Important information. A menu and QR code have been emailed out today. Welcome letters have been sent home today in bookbags.

Do not lose this as it has your login details on. We are asking that you order only lunches for the first 3 days of school/Pre-School as children who are currently in Y2 will need to pay for lunches from September and children in Pre-School who are joining Reception, will not need to pay. Those who currently pay will be charged for lunches initially but will receive a refund/credit in September when their child moves up to their new year group. Similarly, those who don't pay currently will not be charged initially but will have a debit on the account from September when moving up to Y3. If your child has allergens or dietary requirements you should have completed the allergens form that was sent home previously. Do not order from the standard menu if it shows as you will have an allergen menu when you login.

FOEBs: Thank you to our wonderful FOEBs team and support from our families for raising so much money that you have been able to provide the school with new library books, new phonics books, new Chrome laptops, the cost of coach trips and so much more! It really does make a difference!

Cleaning Vacancy:

At the end of this academic year we will be transitioning to a trust wide Cleaning contract with Atlas services and will be saying farewell and thank you to our current cleaners Jo and Andy.
