Congratulations Year 1 and 4 – During the Summer term we know it is a very busy time with end of year activities and assessments before the children make the transition into new schools and year groups. During early June it is particularly busy for our Year 1 and 4 children and teachers as they complete national assessments in Phonics and Multiplication.

We are so proud of their hard work and effort not only in recent days but in the weeks leading up to this point. Information from the assessments are not shared with us until later in the term but we already know from the effort they have put in that they have done themselves so proud. A great big thank you to the children, staff and families at home who have helped greatly with supporting regular homework practice tasks. We really have made such wonderful progress this year with home tasks.

Congratulations East Brent, you are all superstars!

From Mrs Whiting
